Dancing into the Second Session

Dear Parents, Guardians and Students,

It is at the start of the second installment when we see students truly become comfortable in class and start to come out of their shell. After spending the first session adjusting to new classes, exercises and combinations, now the student's personalities really begin to shine more and we as teachers have the chance to get to know the full strengths and capabilities of our students. It is truly a pleasure to see the students learn and grow, not only as dancers but also as young men and women.

The holiday season is right around the corner! I remind everyone to check the Important Dates on the left side of this page to see when the studio will be closed. All dates are also on the Calendar on the website. Also, our studio follows the Calvert County Public School System for **Incident Weather Only** – we will always notify parents via email, as well as post on the website and Facebook, when we close due to weather.

We hope your dancer is enjoying the year as much as we have. If you ever need anything, please don't hesitate to email or call us and we will be happy to help!

Sincerely,

Abigail Francisco
Artistic Director

Please note that school newsletters will be available on our website. Remaining newsletters will come out on January 10 and March 10.

Tuition & Payments

Credit Card Payments: Starting this year, *all credit card payments must be made online through our website*. There is a \$3 convenience fee that is not automatically added to the total – please remember to add it to online payments!

Payment Drop Box: We have a payment drop box, in the North Beach studio lobby (under the office window). Please write your child's name and what the payment is for on your check or money order so we may correctly credit your account.

Cash Payments: If you are making cash payment, please see the North Beach office during office hours so that a receipt can be issued.

A grace period of 5 consecutive days will be honored for Tuition Payments. Payments received after that 5-day grace period will result in a \$25 administrative fee.

Uniform

We ask that students arrive and depart the school covered in street clothing, not their dance uniform. This is for their safety and comfortability, especially now that it is getting cold outside. Please also do not come to the studio with the dance shoes already on as it will ruin their dance shoes and brings in dirt/debris from outside into the studio.

Weather:

We will email, post on our Facebook page and our website if the studio will be closed due to inclement weather. *Our school is not in the North Beach flood zone.*

We follow the Calvert County Public School system for inclement weather only. All dates that the studio will be closed are posted on our website on the Calendar.

Upcoming Holiday Performance!

Broadway-style dances to everyone's favorite, classic holiday tunes along with excerpts from The Nutcracker
