## IMPORTANT NOTES:

- Please arrive at least fifteen minutes before your time slot as times listed above are when pictures will start for each group. ***If you are late arriving, you may miss the opportunity to be photographed.***
- **Students need to arrive with hair and makeup already done. Costumes and any accessories (hats/gloves/required performance tights and shoes) must be brought on hangers in appropriate garment bags and changed into upon arrival. Please do not arrive already in costume.**
- Any necessary alterations will need to be completed in time for picture day.
- **NO** jewelry (unless outlined in the costume book as required for the costume) or nail polish is allowed.

▽ Think of Picture Day as “practice” for the day of the show. The pictures your dancer sees hanging in the dressing room when arriving for class are from these picture days from past years. The photos that they see now while getting ready for class may be replaced in the future with the photos taken on April 23rd. Please keep this in mind while getting ready for picture day. ▽
