Capezio Child Footed Tights with Self Knit Waistband (#1915C); Color - Ballet Pink
<https://www.discountdance.com/search/1915C>

Hairpiece: Pink flower clip, steam flowers to lay flat. Placement TBD.

Gloves/Armbands: NA

Tights: Ballet Pink

Shoes: Light Pink

Other Accessories: NA

Alteration Notes:

1. Due to the tulle opening in the back, tacking is required to connect the layers together. Please refer to the attached photo for tacking placement. Three tacks on the bottom two layers, two tacks on the middle and top layers. Bottom tack on each layer should be approximately ONE INCH from the bottom.
2. Tack the top four layers of the skirt together LOOSELY by matching thread to the top layer, in four locations, evenly spaced around the skirt.
3. Duplicate the same method of tacking with the bottom four layers, using opposite locations so it is staggered.
4. Adjust nude shoulder straps as needed, and tack once underneath at the top of the shoulder to the thick strap and remove excess material.
5. Steam THEN tack the flowers located on the hip to ensure it does not flop/move.
6. Steam entire garment once alterations are complete.

Misc: This costume requires a lot of extra steam to assist with flattening out the flower embellishments.

Pre Ballet III

Ms. Dee

Mondays and Wednesdays

Hairpiece: Flower clip- placement
TBD

Gloves/Armbands: NA

Tights: Ballet Pink

Shoes: Light Pink

Other Accessories: Wings to be
made by Ms. Dee

Alteration Notes:

10. Tack all layers of the skirt LOOSELY by matching thread to the top layer, in six locations, evenly spaced.
11. Adjust shoulder straps as needed and remove excess.
12. There is a fine fishing-line like wire inside the trim-- apply clear glue (super glue/gorilla glue/something of the like) to the edge of the top two layers of the skirt trim in the back. The glue will assist with it not being removed. Remove any excess wire that is visible.
13. Steam entire garment once alterations are complete.

Misc: Costume wings will be handed out once completed. Those will need to be tacked to the middle of the back of the costume.

Vaganova I – Photos for tacking back of skirt layers

Tack each layer **individually**, in at least 4 places, to connect the sides of each layer together.

Bottom tack on each layer should be approx. 1 inch from the bottom.

Top Glitter Tulle Layer:

Already sewn together at the bottom - tack at least one-two times to connect two sides together. Do Not sewn entire line, light tacks in 1 - 2 spaces will close the gap while not changing the movement of the costume.
