

HAIR

Every female student in the Production will wear their hair in a ballet bun.

Hair will be pulled straight back in the front, including bangs. **There should be NO part.** Any hair left hanging on the base of the neck should be pinned into the bun. Fly-aways must be slicked down with gel or hairspray.

It is often easiest to slightly wet hair and apply gel when pulling hair back into a ponytail. Cover the bun with an invisible hairnet that matches the hair color and heavily hairspray.

Please see the photos below to use as a guide for the placement of the bun on the back of the head. **Do NOT use donut bun makers.**
