

NORTH BEACH SCHOOL OF DANCE

WHERE THE MAGIC HAPPENS

DEAR PARENTS & STUDENTS

Welcome to the final installment of our 2025–2026 school year. It has been a joy watching our dancers grow — not only in technique, but in confidence, discipline, and love of dance. Witnessing that growth is truly a privilege, and we are so grateful to share it with your families.

On behalf of our entire faculty, **thank you** for allowing us to teach, encourage, and support your children each week. Your dancers bring wonderful energy to our studios, and we are grateful to have you as part of our community.

As we enter the final stretch of the season, the doors of ***The Magic Toy Shop*** are beginning to open! Rehearsals are filling with spinning dolls, lively toys, and a bit of stage magic as our Spring Production starts to come to life.

This is an exciting time, but also an important one. Choreography, spacing, and timing are now being finalized, which means **every dancer's presence truly matters**. Attendance at classes and rehearsals is especially important. Every dancer plays an important role in bringing the Toy Shop to life, and consistent attendance helps the entire group feel confident and prepared for the stage.

Classes may feel a little more focused as teachers begin polishing details and preparing dancers for performance. This is all part of the process of turning months of hard work into a wonderful show. The teamwork, dedication, and excitement that build during these final weeks are what make performance day so special. For many dancers, performance day is the highlight of their year, and these final months are where the magic truly happens.

We can't wait to share ***The Magic Toy Shop*** with you soon. Please read through the rest of this newsletter carefully for important information about rehearsals, fees, and upcoming dates.

As always, feel free to reach out with any questions.

Gratefully,
Becky Arden
Executive Director
